Project Identity

Natuzzi Editions

The Project Identity purpose is to offer a unique working method that guarantees chromatic and stylistic conformity and preserves the Brand's DNA.

This tool represents a guide that goes beyond the offer of a product, aiming at the creation of a real project from the stores to the customers' homes.

Portento

Portento is a monument to relax - vertical lines and quilted details evoke the geometry of a fortress. Get absolute comfort in any situation - working, reading, resting - thanks to the Dual Power mechanism with two independent movements, to let you always find the ideal position. In addition, the ergonomic design - studied to improve circulation and relieve joint tension - makes it one of the few sofas in the world with a Human Centered Design certification. Portento summarizes 65 years of research and continuous innovation in terms of comfort and well-being.

Embrace a new philosophy of Comfort.
Feelwell combines physical relaxation
and mental balance, offering a tailor-made
wellness experience.

Design by Natuzzi Design Center

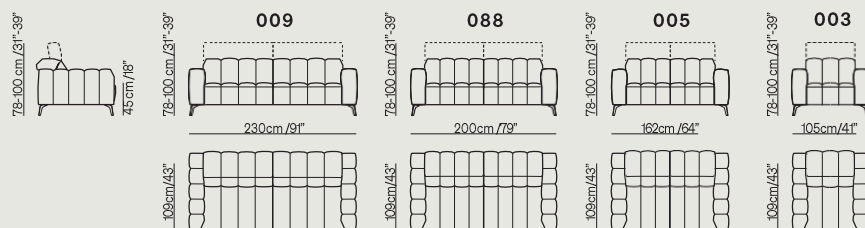

In the Natuzzi Headquarter in Puglia, the Design Center preserves the balance between design and functionality, values rooted in the brand's DNA.
